CAREGIVER

- I understand that the Internet can provide students with valuable learning experiences.
- I also understand that it gives access to information on computers around the world; that the school cannot control what is on these computers and that a very small part of that information can be illegal, dangerous or offensive.
- I accept that while teachers will always experience their duty of care, protection against exposure to harmful information must depend fully upon responsible use by students.
- I believe my student understands this responsibility and I hereby give my permission for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.
