

MABEL PARK STATE HIGH SCHOOL

2022 STUDENT RESOURCE SCHEME (SRS)

Whilst State Government funding for schools covers the cost of instruction, facilities and administration, parents are responsible for individual student resources including textbooks, equipment for personal use and items used/consumed by the student in the classroom. The Student Resource Scheme (SRS) provided by Mabel Park SHS provides parents with a convenient and cost-effective alternative to individually supplying these resources.

The Textbook and Resource Allowance (TRA) is a State Government allowance that provides financial assistance to parents of secondary students to offset the cost of education. The Department of Education pays the allowance to schools on behalf of parents to reduce the participation fees for the Student Resource Scheme. Please complete the Student Resource Scheme Participation Agreement form to benefit from this program.

Participation in the Student Resource Scheme is optional. A parent who opts out of the SRS will be responsible for providing the resources required for their student to fully engage in the curriculum. If you decide to not participate in the scheme an appointment will be made with the Principal or their representative to discuss the provision of resources for your student.

Please note: any student not participating in the Student Resource Scheme will not be entitled to keep practical projects and/or assignments completed at school using materials purchased by the school a part of the Scheme.
