At Mabel Park State High School we have a number of ways for parents/carers to pay their children's school fees, excursions/activities throughout the year.

CASH WINDOW: Open **Tuesday to Thursday** each week between **8am and 4pm** for both students and parents to pay over the counter and receive a receipt immediately.

You can pay either **by Cash or Eftpos and both Debit and Credit Cards are accepted.** Minimum payment by Eftpos is \$10. We cannot accept payment over the counter outside these hours.

Internet Banking: this allows parents/carers to pay 24/7 over the internet for any outstanding debts listed on your School Debtors Statement. Our school bank account payment details are as follows:-

- School's Bank Account Name: **Mabel Park State High School General Account**
- BSB Number: **064-168 (CBA Woodridge Branch)**
- **Account Number: 00090546**
- Reference Details: Please record **Students Name and Invoice/Offer Number** in reference/details section so payment can be recorded correctly.
- If insufficient details are supplied, payments will be applied to the oldest debt for that Family/Customer.

BPAY: Minimum payment of \$10 can be made at any time, you must use the reference numbers provided on the school statement. BPAY automatically picks the oldest invoice in the family.

BPOINT: BPOINT is a secure online payment portal supported by the Commonwealth Bank which enables parents and caregivers to pay the school via credit card or debit card. On the bottom of each invoice and/or statement that you receive, the BPOINT payment method symbol will be displayed with a website link for you to visit and process your secure online payment. **Alternatively, you can now access BPOINT via the QParents app and conveniently pay all your invoices this way.**

You do not need to register for BPOINT, you simply visit the link detailed below and enter your CRN (customer reference number listed on all invoices and monthly statements), invoice number (detailed on monthly statements), student name and exact invoice amount. It is important that only one invoice is paid at a time so that payments can be matched to the invoice in our system.

BPOINT IVR: The phone number for BPoint IVR is 1300 631 073 and you will need the CRN (included on all our invoices) and the invoice number to complete the payment. Details relating to this new facility are included on all of our invoices.

Centrepay/Centrelink Deductions: For those families who receive Centrelink payments each fortnight- a direct debit arrangement may be organised between Centrelink, our families and Mabel Park State High School where school fees are paid off fortnightly over the course of the year. You are able to arrange your deductions to be started by completing a form through school. You can change or cancel you payment over the phone. Simply contact Centrelink using your normal payment number who will process your deduction request and assist you with any questions you have concerning Centrepay.

You will need to quote Mabel Park State High Schools' Centrepay Reference Number which is **555061593H**.

The deduction amount will be taken out of your fortnightly payment before you receive it and deposit into your into our school bank account. This amount will then be applied to any of the outstanding debts relating to your student/s.

Payments of all school fees should be finished by the end of October of each school year.

Please contact the school office on 3489 2333 should you need further assistance concerning this matter.

If your student is in Year 10 or Year 11 and has fees owing from previous years and they want to participate in fee paying subjects this will not be permitted and the student will be required to reselect subjects that do not have fees attached to them.

Parent Refunds: When students are transferring to another school, if parents are in credit of payments the school requires **parent bank account details to be provided** to the school **before** student leaves. If no bank details are provided we will not be able to do the refund process immediately. We will need to make the parent a supplier which can take up to 2 weeks and then another 6 weeks before the refund has been completed.
