

Welcome to ***Mabel Park State High School Hair and Beauty.***

The program specialises in hair, make-up and beauty. We offer a Certificate III in Beauty, Certificate II in Retail Cosmetics (make-up) and Certificate II in Salon Assistant (hairdressing).

If your student loves making himself or herself and others look and feel great and would like to work in this field, these subjects will introduce them to this dynamic and exciting industry. Your student will develop the knowledge and skills to create a 'total look' from head to toe.

We provide hands on experience in a simulated salon environment and industry exposure. Your student will use industry professional products and industry current techniques.

All off the core and elective units of competencies are in the following documents. On completion of a Certificate II students will receive 4 points towards their Queensland Certificate of Education and 8 points if completing a Certificate III in Beauty. The Certificate III in Beauty also counts towards the Australian Tertiary Admissions Rank (ATAR) pathway.

All resources are provided by the school to meet assessment requirements. The Certificate II courses (Make-up and Hairdressing) are \$125 annually and the Certificate III course (Beauty) is \$150 annually. (2-3 year course of study). Some students may wish to purchase their own kits for home but this is not a compulsory requirement of the course (please see handouts).

Please feel free to view our salon facility and meet our amazing teachers. Thank-you for the opportunity and privilege to teach and support your son or daughter through their Hair and Beauty Mabel Park journey.

Cert III Beauty

Course overview

The Certificate III in Beauty Services is a nationally recognised qualification, concentrating on a basic range of treatments used in the beauty industry. It is an option for those who would like to secure early employment in the industry before continuing on to Diploma level studies.

Students considering enrolment in Hair and Beauty certificates need to be aware that skill development will require students to practice on each other and clients. This will involve touching persons and self, but will always be practiced and applied in accordance with industry codes of practice and ethics. Industry dress codes will apply.

Practical Experience & Industry Networking

Industry experience is recommended but not a requirement of this course. Students will be required to complete practical experience at the School Salon. Students will have the opportunity to meet industry experts through invitations to our product knowledge days and guest speakers. Our partnerships include Kryolan, Crown and Dateline Imports.

Practical course areas include-

- Makeup
- Waxing
- Skincare
- Manicures and Pedicare
- Facials
- Spray Tanning
- Lash and Brow services
- Ear piercing
- Small Business knowledge

Career Outcomes

The Certificate III in Beauty Services provides opportunities for employment in salons, usually in a junior or supervised role, home-based or mobile businesses. This course provides a pathway into Diploma of Beauty Therapy (SHB50115), Diploma of Cinema graphic make-up (NAT10381), Diploma of Salon Management (SHB50216). Some units completed as part of the Certificate III can be credited towards a Certificate IV or Diploma of Beauty Therapy.
